

Welcome to The Forge 2024

This is the seventh year of The Forge and we are really pleased to have you join us for the 2024 edition!

Our vision is to have a superb 24hour event when, as men, we can enjoy fun, food and fellowship together.

We've put together a great programme of activities and entertainment for you this year. Some firm favourites are back, but we've added some new stuff to try as well.

During the course of the weekend you will hear stories of lives transformed through faith in Jesus Christ. So, if exploring faith in Jesus is on your heart and mind as you gather with us, please don't keep it to yourself. Any one of our team would be pleased to chat with you. We've also got some great resources to take away in the Just Looking area and the Big Top.

We hope you have a great time with us at The Forge 2024!

2024 Special Guests

Warren Furman found fame as 'Ace' in the hit ITV show Gladiators in the 90's and enjoyed a celebrity lifestyle. But after finding it empty of meaning, he has found new purpose and through faith in Jesus Christ.

Mark Shortland mixes illusion and comedy with magic and suggestion. He has performed around the world at prestige venues and on TV.
